

Deep Ripping Live **Machinery** **Demonstration** Day

Tuesday 30 August 2016, 9.30 am—10 kms on Beecroft Road

Machinery on show:

- Agrowplow
- Ausplow
- Nufab
- Grizzly
- Gessner
- Terraland
- Heliripper
- Versatile Tractors
- K-Line Speedtiller®
- Powerflex™
- Mandako Land Rollers

Want to find out about Deep Ripping? Then come along to the Deep Tillage Demonstration day on 30 August. Local growers and manufacturers will bring several deep rippers to a single field where they will demonstrate their machines.

The purpose of the day is to examine the merits of each machine, to discuss deep placement of lime to alleviate subsoil acidity and to look at compaction issues and the benefits of ripping and tramline farming.

WANTFA would like to thank:

LUNCHTIME TALK

Bindi Isbister and Paul Blackwell (DAFWA)
The theory of compaction and Deep Ripping

Lunch/BBQ supplied courtesy of:

FREE EVENT
