

Nutrition Compaction Rotations

THIS IS A FREE EVENT

Carbon farming for profitability and soil health

Wednesday 21 September 2016

9 am–3 pm • Boyup Brook Football Club Rooms

In conjunction with Blackwood Basin Group

Presentations

Chris Gazey (DAFWA)

Managing soil acidity for extra production

Dave Minkey (WANTFA)

Summer cropping for soil fertility

Phil Vercoe (UWA)

Animal nutrition for more production

Glenn McDonald (DAFWA)

Sub surface compaction correction techniques

Frank D'Emden (PAA)

Precision Agriculture for healthier soils

Roger Lawes (CSIRO)

Putting legumes back into the rotation

Morning tea and light lunch provided
RSVP to jwheeler@wheatbeltnrm.org.au

Follow WANTFA on Twitter and Facebook

This workshop is conducted as part of WANTFA's Carbon Farming Extension and Outreach project. This project is supported by funding from the Australian Government.

Come and chat carbon farming at the kitchen table with Jo Wheeler
